- Teen Summer Reading Finale Party! (6th grade & up) Sat 8/18, 6PM

**\*Your last day to turn in raffle tickets is Fri 8/17 at 9 PM!!!!\***

**Teen Summer Reading Kick-Off Party! (entering 6th grade and up)** Thursday, June 21, All Day  
Please join us for the Teen Summer Reading Kick-Off Party in the Teen Space! All teens entering 6th-12th grade are invited to participate! When you sign up for Summer Reading, you will receive an activity log and a library-themed pin of your choice.

**Songwriting & Recording Workshop (entering 8th grade & up)** Monday-Thurs., June 25-28, 3-5 pm  
Are you a teen looking to learn to write and record your own songs? Join us for this four-day songwriting and recording workshop! Compose, record, and upload original music! Suitable for new and experienced musicians. Registration begins June 2.

**Pokemon Terrariums! (entering 6th-8th grade)** Monday, July 9, 6 pm  
Build a custom Pokemon home with Jonathan the Shoestring Scientist! You saw him at Tekko, now craft with him at the library! Registration begins June 19.

**DIY Cigar Box Guitars (entering 8th grade & up)** Tuesday-Friday, July 10-13, 12-2pm  
The first cigar box guitars were created during the late 1800s and were popular until the 1950s! Learn about this lost art and build your own during this four day free workshop! Presented by professional music educator Ralph Toward of the Western Pennsylvania Center For The Arts. Registration begins June 19.

**Metalsmithing Artist in Residency with Pittsburgh Center for the Arts (entering 8th and 9th grade)** Mon 7/16 - Fri 7/27, 3-5PM  
Build artistic skills using metals, enamels, torches, kilns, hammers, and anvils. Work individually on take-home projects, then work collaboratively to create outdoor sculptures for the library garden. Applications available in the children's library. Rolling admission-apply early!

**9 ¾ Club (entering 6th-8th grade)** Tuesday, July 31, 3pm  
Wingardium leviosa! Grab your wands and broom sticks! This innovative STEM workshop brings the gravity defying magic of Quidditch to life with mechanical engineering techniques and lessons in aerodynamics! (And yes, you will build a Golden Snitch which will actually fly!) Registration begins July 17.

**Soundscape A Horror Radio Drama (entering 6th-9th grade)** Tuesday- Wednesday, August 7 - 8, 7-8:30pm  
Calling fans of Welcome to Night Vale, Slenderman, and the SCP Foundation! Adapt and record your own creepy urban legend, then add sound effects with unusual instruments and audio editing software. Registration begins July 2.

**Pinhole Cameras with Manchester Craftsman's Guild (entering 6th-8th grade)**  
August 13th 1-3 pm: Make your camera  
August 14th 12:30-3:30 pm: Meet at the library, take a bus to MCG to take photos and develop the film! For teens entering 6th-8th gd. Registration begins July 30

**College Searching 101 (9th grade and up and parents)** Monday, August 13, 7 pm  
Size, location, learning environment, there's so much to consider! Join Catherine Noonan as she helps make your search easier and more effective. For high school students and parents.

**Raku Pottery with Manchester Craftsman's Guild (entering 6th-8th grade)**  
August 15th 9-12 pm: Hand build your pottery piece.  
August 22nd 9:30-2:30 pm: Meet at the library, take a bus to MCG to fire pieces using outdoor Raku bonfire technique. Registration begins August 1st

**Teen Summer Reading Finale Party! (entering 6th grade and up)** Saturday, August 18, 6pm  
Please join us for the Summer Reading Finale Party! Raffle prizes will be drawn! Enjoy a concert by local garage punk band THE NOX BOYS! Make spin art with volunteers from the Handmade Arcade! Meet up and unwind with friends before school begins again.
