

For Parents

Vacation Bags—Packed with reading and listening fun for the trip. Please request at least 24 hrs in advance.

Babysitter Bags —Take one of these along to your next babysitting gig. Books, videos, crafts & game ideas, & more!

Sick Day Bags—Home from school for the day? Give us a call and we'll pull together a bag full of fun.

Express Bags—Five fantastic books selected by a librarian for children ages birth - 2, 2-4, and 4-6. Ask at the desk.

Grandparent Bags—Books, music, movies, magazines, and more for visiting grandkids.

Family Place Space: Kids learn through play. Our play area is a great place for you to interact with your child as they develop their social and imaginary play skills.

Writing Center: Help your child develop their fine motor skills. Write, draw, do puzzles and play with educational games in this cozy space.

STEM Exploration: Check out our rotating activities at the STEM table in the non-fiction area. Build, think, create, problem solve, and more.

May Events for Families

Citizen Science: The Lost Ladybug
Citizen Science lets you help real scientists find the answers they are seeking. Gabi Hughes from the Audubon Society will explain how you can help. Did you know that there is more than one kind of ladybug? And some of them are disappearing. Be a citizen scientist, learn about ladybugs, then head out to the courtyard to see if you can spot some. School-aged kids through adult. **Sunday, May 20, 2 pm**

Preschoolers Can Code!

Be a part of Remake Learning Days at Mt. Lebanon Library! Preschoolers and their caregivers will co-play with robots that teach computer programming basics such as planning, sequencing, debugging and logical reasoning. Finish with a problem-solving scavenger hunt to win a prize! Funded by Matt's Maker & ACLA. Ages 3-6 and caregiver. **Drop-in between 10am-1pm, Mon., May 21**

Mommy & Me Yoga

Grab your yoga mat and be prepared to move and flow through a yoga practice. Little ones join in the fun through songs, playtime & special poses. For moms and kids under 36 months. Register for each session. **Mondays, April 30, May 7 & 14, 10 am**

Stretch-n-Grow

Stretch-n-Grow is a fabulously fun fitness program that is action-packed with creative games that emphasize motor skills, balance, coordination & flexibility. Ages 3-5. Register for each session individually starting April 24. **Wednesdays, May 16, 23 & 30, 11:30 am**

Café au Lait

Café au Lait is a mom's group that discusses weekly topics, shares parenting struggles and successes., and offers encouragement and information. Children are welcome to attend with parent. **Tues, 10:45, May 8, 15, 22, 29**

May Events for Families

Art & the Written Word

Join us for this after-hours cultural get-together at the Library! In this year long series, you will experience the inspiration of words as they are brought to life through the performing arts. Enjoy food, fun, and an opportunity to talk with the artists. For friends and families of all ages!

Little Lake Children's Theater Preview!

You're invited to a sneak preview of Little Lake Theater's summer showcase: The Little Mermaid, The Jungle Book, Flat Stanley, and The Secret Garden. In addition to show excerpts, you will get to talk to the artistic director, hear about life backstage, and play some theater games! **Saturday, May 19, 7 pm.**

Matt's Maker @ the Library

In 2018, Matt's Maker Space is funding a Year of Making at the library. These programs will explore the components of STEAM (Science, Technology, Engineering, Art, Math) for children in grades K-8. Make sure you take part in our amazing year of Matt's Making!

Robot on a Mission

School is out today, so come learn about robots at the library with the Carnegie Science Center! Discover binary code and learn how to communicate with your fellow robots to get the job done! K - 2nd Grade. Registration starts April 17th. **Tuesday, May 15, 1pm**

Robots vs. Humans

Come learn about robots at the library with the Carnegie Science Center! Master binary code, perform tasks without using your fingers, and program a robotic car! 3rd - 5th grade. Registration starts April 17th. **Tuesday, May 15, 2:30 pm**
