Supercharge Your Summer Reading! Check out our supercharge display for additional learning challenges and prizes you can win this summer!

Matt's Maker @ the Library *

Matt's Maker Space is funding a Year of Making at the library! This funding allows the library to provide collaborative programming with local organizations such as: Manchester Craftsmen's Guild, Heinz History Center, the Carnegie Science Center and the Children's Museum. These programs explore STEAM (Science, Technology, Engineering, Art, Math) for children in grades K-8. Make sure you take part in our amazing year of Matt's Making!

Friend Making at Mt. Lebanon Library

Get together and make new connections with our Friend Making Programs! Look for this icon next to events.

JUNE CONT'D

Brushstrokes

In this hands-on introduction to art appreciation, kids study weird & wonderful works of art from history, then roll up their sleeves to create a masterpiece! (Doors will close once seating capacity has been met.) *For kids entering 2nd-5th grade.*
