Dear Friends,

June 12, 1994

Welcome to the Fourth Annual Library Garden Tour. Over the past 4 years, the Garden Tour has blossomed into an eagerly awaited community event. All funds raised from the tours have been added to the library building fund.

A capital campaign to raise \$700,000 towards the cost of construction began in January. To date, more than 500 donors have pledged \$500,000 to the campaign. This program book lists donors at the \$100 level and above. The library appreciates this support but there is still a great need for help. If you have not yet made your pledge, we urge you to do so soon. If fund raising is successful, the project could go out to bid later this year.

The Library thanks the six gardeners who worked to make their gardens beautiful. The end result makes it look easy; but we know it wasn't. We also thank British Airways for donating two airline tickets to London. Refreshments were donated by Giant Eagle, Sorbara's Shop and Save and McDonalds. Balloons marking each garden were provided by The Balloon Company.

This day would not have been possible without the dozens of volunteers who helped plan and make the tour a success under the leadership of Barbara Logan, coordinator of this year's tour.

Sincerely,

Peter Leonard  
Library Director

Honorary Co-Chairs:

Greg Fajt, State Representative  
D. Michael Fisher, State Senator  
Jane Nugent, WTAE Garden Editor  
Lindsay Bond Totten, Pittsburgh Press, Garden Editor

## Garden Descriptions

### 380 Avon Drive

"Shade" is the theme of this Master Gardener's yard. Ground covers include pachysandra, sweet woodruff and heder helix. Other plants include ferns, columbine, forget-me-nots, digitalis, and a deep violet rhododendron.

### 811 Rockwood Avenue

This cottage garden showcases ivy, rhododendron, azaleas, boxwood, peonies, foxglove, hollyhock and lilies. A wooden trellis covered with old-fashioned roses, a diamond shaped herb garden and an armillary sphere--an instrument used by early astronomers-- are featured in this memorable garden.

### 185 Crestvue Manor Drive

This garden on a lovely cul-de-sac is a wonderland of trees. Japanese maple, ginkgo, and Montgomery Spruce mingle with holly azaleas, pachysandra and blue junipers. Birch trees form an archway to a rear garden of firs and berry shrubs.

### 124 Longuevue Drive

Peonies, daylilies, dahlias, mums, lace hydrangeas and other flowers are highlights of this garden. Also on the tour is the "knitting room" complete with houseplants, waterfall and goldfish pond.

### 441 Neulon Drive

This garden features a hillside garden with waterfall and pond, surrounded by heather, shrubbery, magnolia trees and a terraced bed of annuals and perennials.

### 236 Parker Drive

This profuse garden features chestnut, dogwood, lilacs, everblooming magnolia. Also thriving are climbing roses, vegetable and herb gardens and flower beds of bleeding hearts, poppies, annuals, ivy and roses.
