

Mt. Lebanon Public Library

2011 Annual Report

OUR VISION

The Mt. Lebanon Public Library will enhance its status as one of the premier public libraries in the Commonwealth of Pennsylvania.

OUR MISSION

The Mt. Lebanon Public Library provides informational resources, programs, and services for the personal enrichment, education, and enjoyment of all citizens and for the betterment of the community.

A library is not a luxury but one of the necessities of life.

- Henry Ward Beecher

Mt. Lebanon Public Library subscribes to its long-established mission to meet the needs of the public with the most current, valid information available—using contemporary methods for delivery of service, with the skilled, mediated assistance of professional librarians—and, above all, to serve as a community gathering place, sometimes in the physical library, sometimes in the virtual world. We are a full-fledged destination, the center of the community, offering programs that bring generations together, providing dedicated staff to assist patrons in finding books *and* using new technologies that easily expand our services beyond the boundaries of our walls. We lend Kindles and Nooks, conduct Gadget Workshops, answer questions via Facebook and email, and, yes, find information in print books for our patrons. The state of the economy underscores the importance of our library for job searches and résumé preparation and submission, reliable financial and economic information, free use of computers and wi-fi service, free or low-cost educational and recreational programs, and resources such as books, videos, magazines, and digital articles and databases for all ages. Mt. Lebanon Public library is vibrant, busy, and modern.

By embracing all that's new and preserving the best of the traditional, our library itself has transformed, culminating in our newly reimagined, rearranged library. Re-envisioned with the community in mind, it is lighter, brighter, and provides more gathering spaces, as well as more spaces for study; it highlights new technology and popular materials in all formats; and it places staff in more visible locations to provide patrons with better personal service. We invite you to visit and see for yourselves how your library has been transformed for your benefit.

The accomplishments highlighted in this report demonstrate the library's value to the community. We thank those who support the library's mission and make this success possible: the dedicated staff and volunteers, Board of Trustees, Friends of the Mt. Lebanon Public Library, community residents, hundreds of donors, and the Municipality of Mt. Lebanon for its generous funding. We look forward to serving the community far into the future.
