Please share a few sentences about why you are interested in being part of the library teen planning committee?

This committee is a leadership role that requires teamwork and compromise. Please briefly describe a situation where you demonstrated good cooperation or were a leader in your everyday life.

We plan to serve free dinner at the monthly meetings. Do you have any food allergies, dietary restrictions, texture sensitivities, etc? If so, please list below. We will do everything we can to accommodate you.

Do you have any special interests or talents that you would like to share? Music, theatre, sports, world languages, cosplay, gaming, writing, visual art, scouting, etc. Do you dream of leading a special event at the library based on your specific skill set? Brag about yourself below.

In addition to the monthly meetings, Teen Planning Committee members can submit book, music, and movie reviews to be featured on the library Instagram page. Each review written, formatted, and submitted will count for one hour of additional library volunteer work. Is this something that would interest you?

Thank you again for applying to volunteer at the library! We will reach out to you to be a member of the Teen Planning Committee for this school year. Please turn in this completed application at the Circulation Desk.
