New and Improved Features

- New Welcome Screen:** A fresh and engaging welcome screen.
- Carousel of New and Notable Items:** Easily browse through the latest and most notable items in our collection.
- Quick Icons in Navigation Bar:** Access key features quickly with new icons in the navigation bar at the bottom of the screen.

Streamlined Catalog Search

- Enhanced Search Filters:** More filters to refine search results and find exactly what you're looking for.
- Accurate Results:** Improved accuracy in search results to ensure patrons find the right items.
- Integrated Discovery Layer:** The search experience is now integrated with our new discovery layer, providing a seamless experience similar to searching the catalog on the web.

Enhanced Patron Services

- Manage Holds:** You will be able to place, renew, and pause holds directly within the app.
- Event and Program Sign-Up:** Sign up for library events and programs directly through the app.
- In-App Notifications:** Stay informed with notifications about library closures, event announcements, special programs, and news.
